

Cara Gaskell, Level 6 (3rd yr) Fine Art student.

Over the summer i was working alongside other students running the What's Happening KSA Campaign, representing the student body in direct meetings with Heads of KSA and KU. Working to create equal and respectful partnerships between students and staff, elaborating and working to resolve issues with the Covid-19 Lockdown.

I'm passionate about the health and wellbeing of students and staff at KSA. I would like the opportunity to bridge the divide between Faculty, Students and SU. Working to ensure the safety of everyone at KSA as the pressures of a second lockdown and further restrictions loom over the coming holidays. As well as this I would like to further resolve the issues of historical miscommunications between KSA, Students and the SU.

I have experience working with the Student Union and would like to see more of their presence around the KSA campus.

Focusing on:

- Communication
- Transparency
- Equality
- BLM Awareness / Accountability
- KU Cares
- Inclusivity, LGBTQ+/Disabilities
- Highlighting and resolving problems at any level
- Flexibility
- Speaking in the interest of all KSA students
- Everyone has a voice that can and will be heard
- Giving away power to create power
- Positivity
- Acceptance
- Arts and empowerment

Working 'with' not 'for'. Everyone has a voice.

Diolch for you time, Cara.
