3R-s and transportation

Kingston
University
London

Whiteboard event - Transportation & 3R-s

How do you get to uni?

Awkward times at Clayhill
45 past or 25 past
the other way on 1 way

shouldn't just
a station if it could
stop there too.
don't know
how to cycle.

• A bit inconsistent
• It's practical, but needs to
also be weekends (10AM-4PM)
• I like the tracks
• Late all the time

Seaford paper
doesn't matter
either way -
for people that
live close

Orpington - have
crutches + if I'm
carrying something
taking 2 hand
is difficult

From
Bermondsey - don't
know how
to ride bike
with these
we're less delays

Chaydon

Drive II
Normal bus III

How do you get to uni?

KU bikes need more
promotion. Posters would
be better than techniques used

• bike sheds would
increase bike usage
• did not know about
the repair kits x3

Orpington - have
crutches + if I'm
carrying something
taking 2 hand
is difficult

From
Bermondsey - don't
know how
to ride bike
with these
we're less delays

Chaydon

from gare park

Do you understand this system?

No. The wording makes it difficult
to understand.

Yes. I look at the pictures

Yes. Yeah it's pretty clear

Yes! Yes

Yes. I always look to see where things go.

Yeah I was part of the recycling team.

NO

Yes. recyclable coffee cup

Yes. Yes, only thing is paper cups?

Yes. I do actually!

Yes. Stop you can recycle + stuff you can't recycle

Yes. Yeah

Yes. Yeah but sometimes I mix them

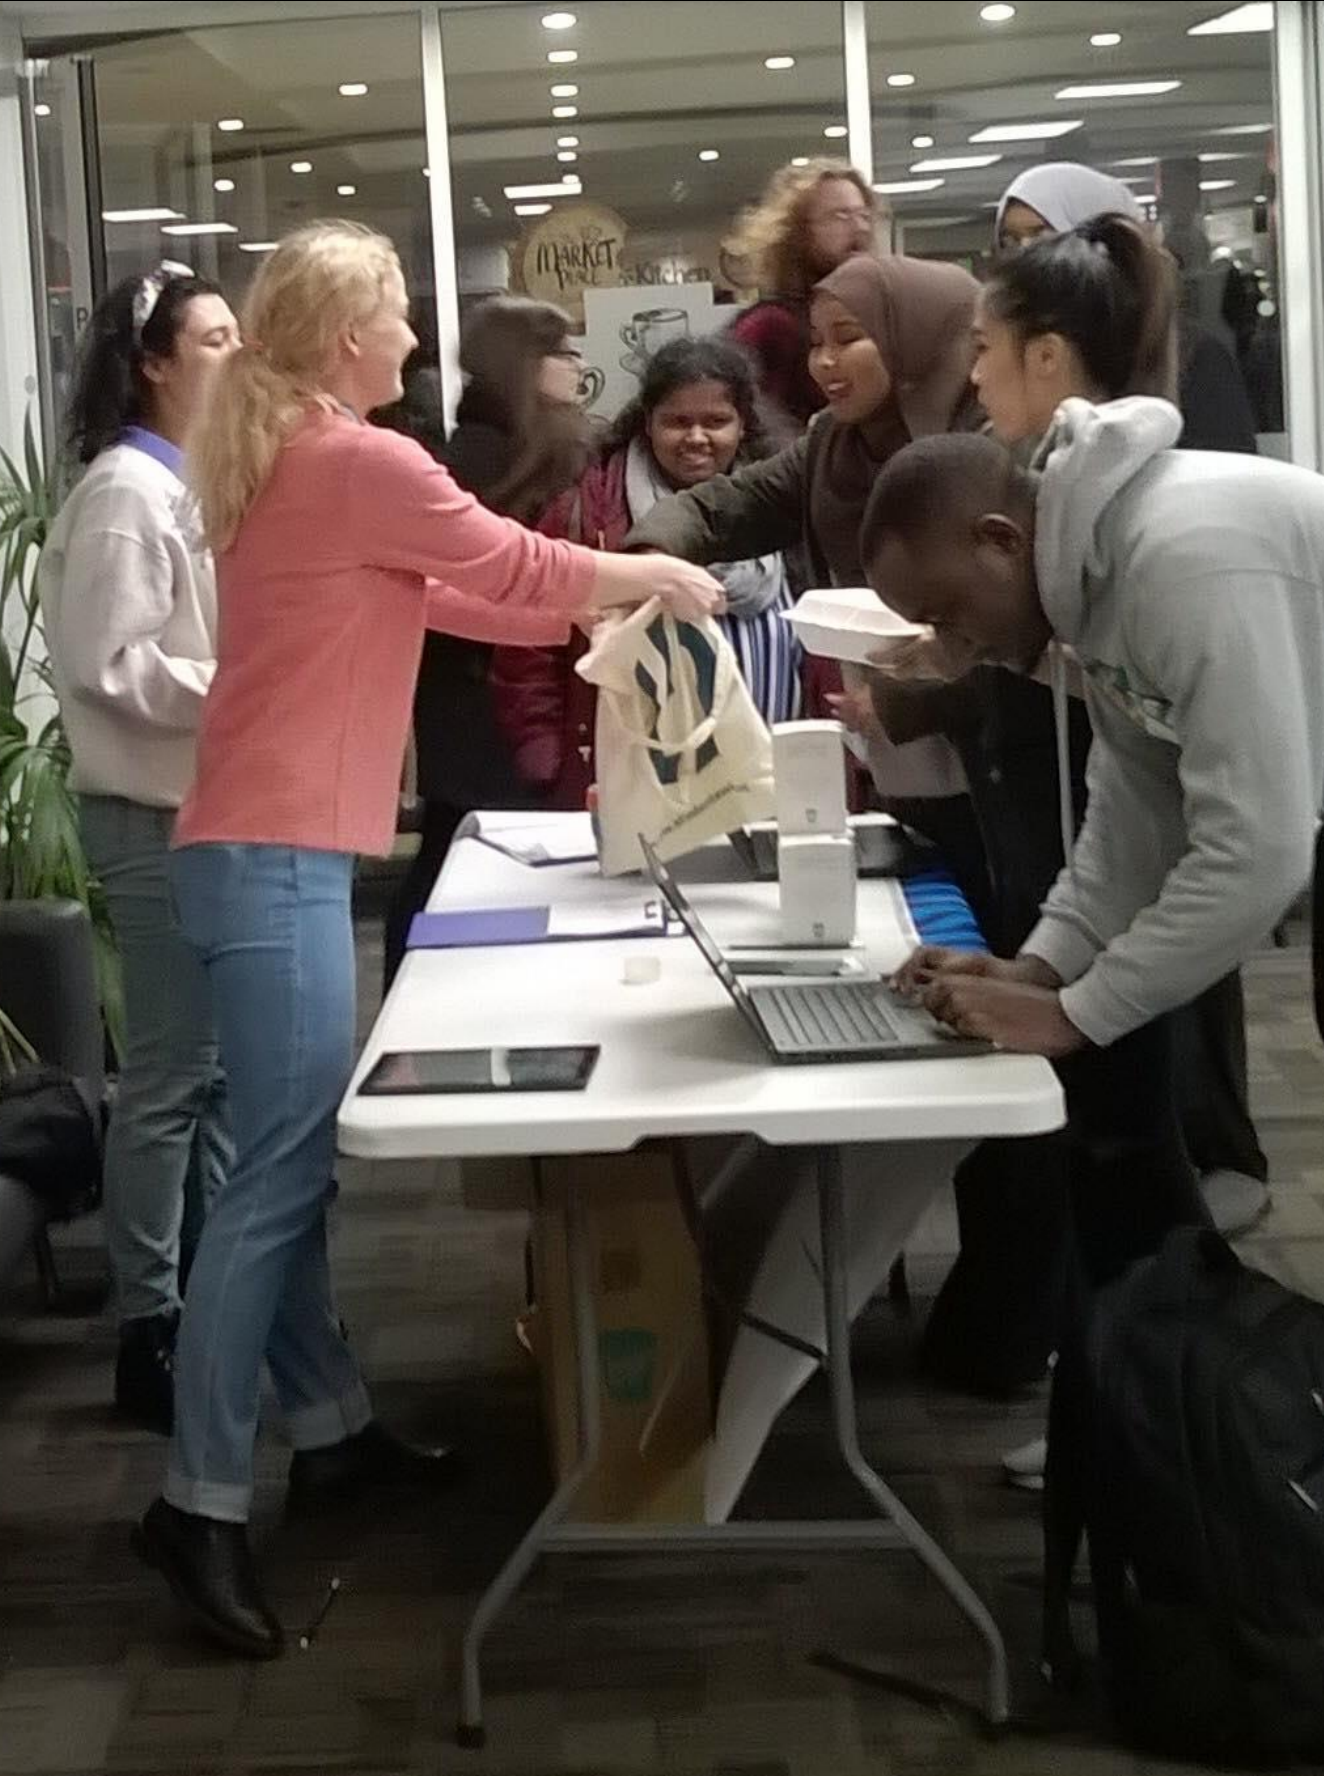

Yes. Yeah make sense

Yes. Could be clearer but it's fine

Yes. Different colours - green would be better

Quiz and Survey event - 3Rs through coffee cups

Bus surveys - Transportation: Improving bus service

Bus Communication Survey

The following survey will assess the effectiveness of communication on the university bus service

Please enter your K number below, to enter a prize draw to win a reusable KeepCup.

K Number: Buses Used: KU1 / KU6 KU2 KU3

1) Do you feel the KU Bus is often late? And why?

2) Do you use the transport section of the KU app? And how could it be improved?

3) Do use the KU Bus Tracker? And how could it be improved?

4) How useful are the video screens on the buses at communicating information which is of interest to you?

BICYCLE USER GROUP

*Together we can make Kingston
a better and safer place*

**KITS AVAILABLE FOR USE
FROM ALL UNIVERSITY
AND LRC RECEPTIONS**

**Scan above or email sustainability@kingston.ac.uk
to receive cycling tips and discounts at local stores**
