

IHAB ZERTAL

I'm a passionate fourth year pharmacy student. Having been involved in the university over the last three years, I have structured many meetings from the feedback received from cohorts to raise concerns, working alongside academic staff and the student union. I am full of motivation, desire and I am eager for change and therefore warrant to continue my efforts representing friends, colleagues and family in the student council.

Pharmacy has given me a lot of opportunities and taught me many valuable skills, for which I am forever grateful. I pledge to continue my hard work, effort and support throughout the student council serving our university and all students. as a course representative, I have utilised the previous years to build relations with academics to ensure together we form an outstanding student experience.

I myself am very outgoing, sociable and confident individual with the ability to communicate effectively with to all my fellow colleagues, ensuring bridging between students and academic faculty members. Since a young age I have been employed within in the families pharmaceuticals business and I have been aiding its development, in turn accrediting me the quality of leadership and affective decision-making even under difficult circumstances. The ability to problem solve and make informed decisions in the appropriate moment is crucial for this role.

I will be grateful for everyone voting for me and thank you very much !
