

Hi, my name is Rashi Somaiya and I'm running for the Kingston Hill Campus Rep position because i feel its important to voice students queries and get their feedback on faculty and courses. As i come from institutue of International studies an affiliated college with kingston university in India, I have been a member of student council there and have developed skills like taking responsibility, great communication, pateince and kindness and i believe these make me an ideal candidate for this position. If elected I would aim to fulfil the requirements and not disappoint my position. Also get proper feedback and help students to have a great academic year.

Thank you for reading my manefesto and feel free to contact me if you have any questions.
